Meshki
Abercrombie and Fitch

Color:

We love a earthy, warm fall inspired color palette - black and navy always a great safe option! Slight shine in silks or safe amount of sequins is welcomed. Filipiniana is welcomed!

A suit or tux with a bow or tie is **required**. We prefer black, navy or grey - avoid spring time colors (like baby blue). Ideally would like white shirts for black tie-esq feel + formal footwear.

Please avoid overly floral ties that feel to spring time

Barong Taglog is welcomed!
If you have your own Kippah, we are happy for you to wear, otherwise we will provide!

Dont'!

Please avoid pastels, neons, or overtly bold colors
keep prints at minimal or simple please / try to avoid overly embellished dresses

please do not wear sneakers or flip flops/sandals or any casual footwear.

Formal accessories only

(with exception of individuals with mobility needs)

please do not wear **white, ivory, or light beige**

we appreciate your understanding
